1.0 Introduction

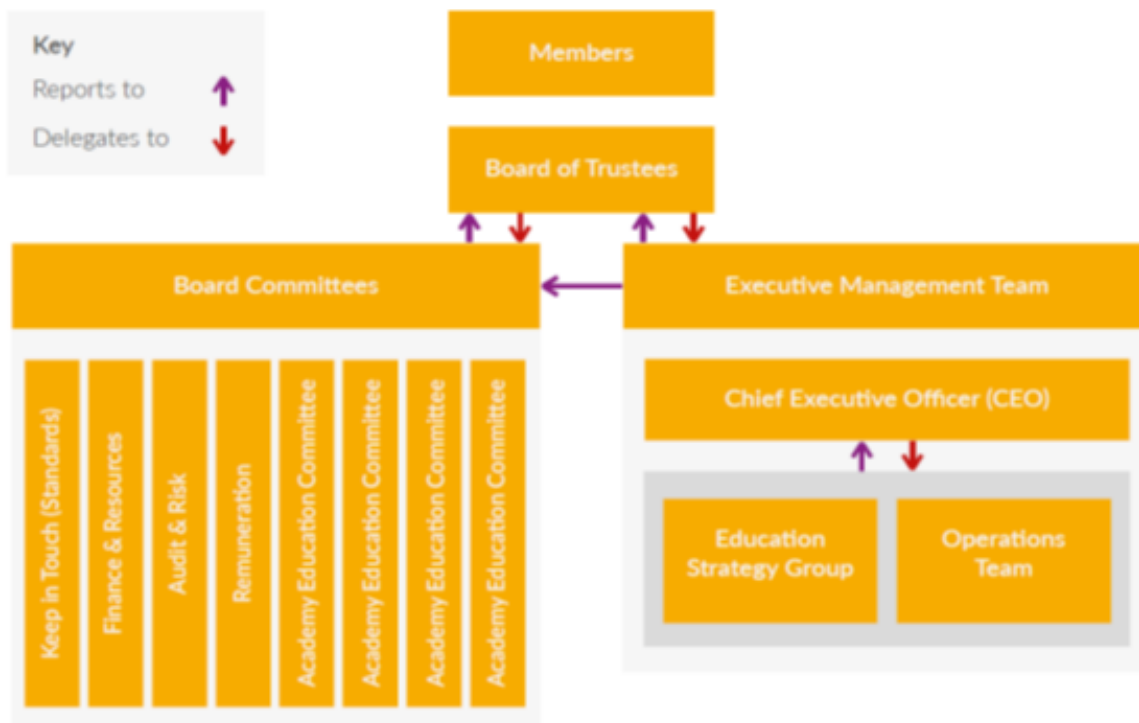

- 1.1 The Accord Multi Academy Trust was established on 1 September 2016. The Trust is a multi-academy trust capable of operating and maintaining a number of academies (each an "academy" and together the "academies").
- 1.2 The Trust is both a company limited by guarantee, registered with Companies House, and an exempt charity, regulated by the Secretary of State for Education, who acts as the principal regulator.
- 1.3 The Trust's constitution and its charitable objective is set out in its Memorandum and Articles of Association ("Articles").
- 1.4 The Trust retains the legal responsibility for running the academies and is responsible for all assets and liabilities, rights and obligations
- 1.5 Academies within the Trust are not established as legal entities in their own right. They do not have a legal personality. This means that all assets and liabilities of each academy are run by the Trust and all contracts (whether in relation to employees or otherwise) for each academy will be held and entered into (respectively) by the Trust.
- 1.6 Trustees have an overriding duty to act freely and in the best interest of the Trust and the academies at all times.
- 1.7 The purpose of this Scheme of Delegation is to provide operating clarity as to the roles, responsibilities and authority of those who contribute to the governance and oversight of the academies and the Trust itself. This Scheme of Delegation is subsidiary to the Articles, the Funding Agreement(s) and all schools/academies legislation.
- 1.8 This Scheme of Delegation sets out the powers that the Board's Committees (including AECs) and the CEO may exercise on behalf of the Trustees. This is supported by the Terms of Reference for each governance meeting or committee. A full summary of these delegations can be found at
 - Appendix 1 Trust Scheme of Delegation Summary Table and;
 - Appendix 2 - Governance Terms of Reference
- 1.9 The Trustees reserve the right (in their absolute discretion) to review and alter this Scheme of Delegation and the level of delegated responsibility at any time, and will be formally reviewed for its effectiveness at least every two years.

2.0 Governance Structure

2.1 The Trust's academies work in one 'Accord', with a single shared vision, a single Board of Trustees, and a single Scheme of Delegation.

2.2 The governance structure is designed to reflect the overall responsibility of the Board of Trustees, the delegated responsibilities to Trust Committees and the Chief Executive Officer (CEO). The structure defines the management arrangements of Executive Principals and Principals, the Education Strategy Group (ESG) and the Operations Team. It places high value on the local experience and understanding of the Academy Education Committees in assessing the performance of their academy and its interaction with the local community.

2.3 The diagram below shows the relationship between the different elements of the governance structure:

3.0 Roles and Responsibilities

3.1 Members

- The Members of the Trust are guardians of the governance of the Trust and as such have a different status to Trustees.
- They are the subscribers to the Memorandum and Articles of Association (the legal document which outlines the governance structure and how the Trust will operate).
- The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so are able to remove Trustees if they fail to fulfil this responsibility. They oversee the achievement of the objectives of the Trust acting as the 'conscience' and 'moral guardian' of the Trust's purpose and values, and oversee the performance of the Board.
- The Board submits an annual report on the performance of the Trust to the Members at the Annual General Meeting to enable them to fulfil this role.
- Nobody may be a Member, Trustee and an AEC Governor.

3.2 Board of Trustees

- The Board of Trustees are responsible for the general control and management of the administration of the Trust and is made up of seven Member appointed Trustees and two co-opted Trustees.
- The Board:
 - ensures clarity of vision, ethos and strategic direction.
 - holds the CEO to account for the educational performance of the Trust's academies and their pupils, plus the performance management of staff.
 - oversees the financial performance of the Trust and make sure its money is well spent.
- The Board produces an annual report on the performance of the Trust for Members, and for external publication. It also produces a newsletter for all members of the governance structure after each Board of Trustee meeting.
- Because Trustees are bound by both charity and company law, the terms 'Trustees' and 'Directors' are often used interchangeably. The Accord Multi Academy Trust uses the term 'Trustee' as it avoids the possible confusion caused as executive leaders may be called 'Directors' but are neither company directors nor Trustees.
- As part of their responsibility, Trustees may take on a link responsibility, either being a Chair of a Committee or for a Trust Wide priority. You can find out more about the Trustees here: <https://accordmat.org/about-us/>
- The Trustees have established a number of committees to carry out some of its governance functions. This includes making decisions, although any decisions made will be deemed decisions of the Board of Trustees. A full summary of these delegations can be found at
 - Appendix 1 - Trust Scheme of Delegation Summary Table and;
 - Appendix 2 - Governance Terms of Reference

3.3 Board of Trustees Committees

3.3.1 The Board has the following committees:

- **Keep in Touch (KIT) Standards**

This committee provides a forum between the Board, AECs and the Executive Principals/Principals/Heads of Academy to focus on the educational targets for each academy, monitoring the quality of the educational standards and performance, and challenging any areas of underperformance.

- **Finance & Resources**

This committee assists the Board in its on-going oversight of the Trust's arrangements for budgeting, financial planning, financial performance and financial reporting in respect of both revenue and capital activities and the associated resource planning.

- **Audit & Risk**

This committee assesses the scope and effectiveness of the systems established by the executive management team to identify, manage and monitor financial and non-financial risks to the Trust via the risk register. It also maintains oversight of the Trust's governance, internal control, financial reporting and value for money frameworks, in order to establish levels of compliance throughout the organisation.

- **Remuneration**

This committee maintains an oversight of the Trust's approach to remuneration and pay progression.

3.3.2 The Board can create additional committees, working parties or panels as required. The Board may remove delegations from any committee, working party or panel as required.

3.4 **Academy Education Committee (AEC)**

- The purpose of the Academy Education Committee (AEC) is to focus on challenging and supporting the quality of provision and educational outcomes for young people at Academy level.
- The AEC is responsible for overseeing the effectiveness of the Academy, working in conjunction with the Trustees, Education Strategy Group, Operations Team, Principal and Academy Senior Leadership Team.
- The AEC has specific responsibility to focus on academy improvement and to act as a link to the Board of Trustees for their academy. It is an expectation that each AEC has a representative at the Keep in Touch (Standards) meetings alongside the Principal and CEO.
- Trustees are not required to sit on AEC, but may choose to do so.
- Trustees will appoint the Chair, and approve AEC members who will be known as Governors.
- Trustees will ensure that two parents are elected to the AEC.
- AECs are appointed by the Board of Trustees, and so delegation can be removed at any time.
- The Board has also agreed that each AEC may also hold Complaints, Disciplinary and Exclusion Panels as appropriate.

3.5 **Transitional Improvement Board (TIB)**

- In some circumstances the Board of Trustees may decide that a Transitional Improvement Board (TIB) would be a more appropriate committee at local level.
- In practice, the responsibilities of a TIB do not differ greatly to an AEC, but there will be a high level of support and direction from the Education Strategy

Group and Operations Team. The TIB may also involve the guidance from a National Leader of Governance (NLG). There may also be an increased frequency of calendared meetings.

- After an initial period of support, it is expected that the TIB will become an AEC.
- Full guidance on a TIB will be available to Governors if required.

3.6 **Chief Executive Officer (CEO)**

- The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust's academies. As such, the CEO is responsible for the performance management of the Executive Principals and Academy Principals.
- The CEO is the Accounting Officer so has overall responsibility for the operation of the Trust's financial responsibilities. The CEO must ensure that the organisation is run with financial effectiveness, stability and probity; avoiding waste and securing value for money in line with the Academies Financial Handbook and the Funding Agreement.

3.5 **Executive Management Team: Education Strategy Group and Operations Team**

- The CEO leads the Trust's Executive Management Team, made up of the Education Strategy Group and the Operations Team. The CEO may delegate executive management functions to members of these Teams. This includes preparing reports on specific areas of responsibility, such as HR/Finance/Operations/Estates/ICT and Pupil Data for the Board and its Committees.
- The CEO is accountable to the Board of Trustees for the performance of the Executive Management Team. You can find out more here <http://www.accordmat.org.uk/about-us/>

3.6 **Executive Principal/ Principal/Head of Academy (Academy Leaders)**

- The Executive Principal/ Principal is responsible for the day to day management of the academy/academies and is managed by the CEO.
- The Academy Leader produces reports, in standard Trust format, for the AEC (on matters which have been delegated to it) and to the Keep in Touch (Standards) Committee.
- A Head of Academy, where applicable, reports directly to Executive Principal.
